

## Downloading the Patient Portal App

- Provide your email address to our front desk or appointment scheduling team
- An email will be received with a link that will direct you to the App Store to download the APPatient
  - Search for Modernizing Medicine and down APPatient App

- Once you download the app you will need to enter the following information
  - Practice URL: tucsonortho.ema.md
  - Username: your email
  - Password: the one you created to activate your account

A screenshot of the APPatient app's login screen. It has a white background with a light blue header. The text reads: 'Welcome to APPatient', 'STOP! Before you can log into APPatient, your Patient Portal account must be set up using a computer internet browser. Instructions are located in the Patient Portal welcome email from your healthcare provider.', and a 'Learn more' link. Below this are three input fields: 'Practice URL', 'Username', and 'Password'. A blue 'Login' button is at the bottom, with a link 'Forgot Password? | Need Help?' below it.

- You will select Get Started to start filling out your information
